

**Annabella**  
**Special Selection 2008 Chardonnay**

100% Napa Valley  
100% Chardonnay  
100% Barrel Fermented, Aged 4 months

The mustard color of this Napa Chardonnay is vibrant with aromas that are very rich and generous with tropical fruit notes of guava and mango framed by rich creamy butter notes. The ripe palate explodes with blood orange, Key lime zest and a hint of jasmine and star anise on the finish folded into integrated creamy French oak flavors.

A fine choice for an aperitif wine; this wine also pairs well with tea smoked Chilean Sea bass with a soy-oyster mushroom reduction sauce and Jasmine rice. A natural with Peking Duck or grilled Scottish Salmon with light béarnaise sauce, roasted fingerling potatoes and sautéed baby spinach. Total production 5,500 cases.
