

Annabella
Special Selection 2009 Napa Valley Cabernet Sauvignon

100% Napa Valley
100% Cabernet Sauvignon
Aged in French Oak for 14 months

This Cabernet Sauvignon has a medium dark plum color with a tinge of brick red suggestive of a fine Claret. This Napa Cab expresses deep Bordeaux aromas with cassis, plum, pencil lead and black cherry aromas. The palate registers with strong age worthy tannins and toasted oak and vanilla flavors, black pepper spice with heavily extracted black cherry flavors, black currant, and a faint rosemary spice.

This wine is great with a pot roast over parsnip-mashed potatoes with shaved black truffles. Also ideal with roasted chicken and rosemary, fresh Tombo Tuna with roasted fingerling potatoes, broccoli rabe and garlic and shaved toasted almonds.

Annabella is a brand that brings to the world the BEST of the Napa Valley at practically bargain prices. For those of you familiar with Napa, you will agree the value of these wines is unprecedented.
