

Annabella
Annabella Special Selection 2009 Chardonnay

100% Napa Valley

100% Chardonnay

Fermented on French Oak and aged for 12 months Sur Lies

This Chardonnay is medium golden straw colored with luscious tropical fruit notes ranging from guava and mango to passion fruit intertwined with jasmine and clove spice. The palate is juicy with silky, buttery caramel flavor with toasted French vanilla tones which then folds back into a tropical nectar.

This is a fine Napa Valley Chardonnay that contains the rich oaky buttery scents common in many quality Napa Chards, but this one is balanced with fruit making it much more complex and food friendly. While this wine makes a fine aperitif and pre-party sipper, food pairings are encouraged. This wine is rich enough to pair with Lobster tail or Foie Gras dishes. Try it with lighter fare such as an Arugula and Fennel salad dressed lightly with Mandarin vinaigrette and topped with Marcona almonds. Drink now through 2014. Total cases produced: 12,000
