

### **Dante 2009 Chardonnay**

100% California

100% Chardonnay

Aged 5 months in French Oak

This wine has a light flinty straw color with aromas of ripe backed Fuji apples and a hint of botrytis with cinnamon spice. The palate expresses freshly cut green apple, Pipsen to be exact, and backed with a blast of Meyer lemon juice. Overall this fruit driven Chardonnay finishes tropical with guava and passion fruit nectar flavors.

This is a great wine with a myriad of whitefish and seafood choices such as John Dory poached in parchment with a snow pea, turnip and vegetable reduction. Seared sea scallops served on parsnip mashed potatoes with white truffle oil and wilted watercress. Sea bass steamed with tea leaves and served with jasmine rice with green onion and sautéed Crimini mushrooms. Total cases produced: 3,000
