

2012 Dante Chardonnay

100% Lodi Chardonnay
Aged 2 months in French Oak

The grapes for this Chardonnay were sourced from the Northern Interior Valley of California and displays a medium straw color rich with ripe apricot notes which are framed by subtle French oak notes, hints of vanilla and custard. The palate expresses tropical notes including passion fruit, guava, a touch of kiwi and lychee on the finish.

It pairs exceptionally well with seared English Seabass with sautéed wild mushrooms seasoned with Marjoram and Thyme along with a crispy rice cake made with seaweed and sesame seeds.

This wine will age well through 2017.

3,000 cases produced.
