

**Michael Pozzan  
2008 Napa Cuvée N°14 Cabernet Sauvignon**

100% Napa Valley  
100% Cabernet Sauvignon  
Aged 15 months in French oak

This wine is a classic Napa Cabernet Sauvignon which was made in the new style of ripe fruit extraction, with the goal of delivering a supple and balanced Cuvée. The wine is medium brick red colored with intense dark, ripe plum aromas, pipe tobacco and cherry vanilla. The entry is rich with raspberry and toffee notes and leads to a mid-palate of over ripe and supple black cherry flavors laced with silky tannins. This core of briary fruit notes also display intense cassis which folds nicely into a leathery textured matrix reminiscent of a fine Bordeaux.

This wine pairs well with grilled meats, especially Steak au Poivre served with haricot verts and roasted red potatoes with garlic. It is also a fine choice with duck, squab and organic spit roasted young chickens or wild game hens. Enjoy now through 2015.
