

### **Pozzan Gold Series 2008, Zinfandel**

100% Oakville AVA

100% Zinfandel

Aged 12 months in French and American oak

This medium plum colored rich Zinfandel shows incredible concentration of wild raspberry and bramble fruit. The oak profile is balanced between French and American oak and is a nice backdrop for the black and white pepper spice that is classic Zinfandel. The wine finishes with ripe cherry and raspberry fruit and spice which ranges from Italian Panforte to clove to black pepper.

The grapes for this wine are grown in the Pozzan's backyard in Oakville in the Napa Valley, home to low yielding vines and veteran winemaking, which result in some of the best wines in the world.

This wine is best with barbequed and grilled meats with soft polenta or with hearty stews.

This Zinfandel is a rich, marvelous wine which is approachable now, but will age gracefully for 5-7 years. Total cases produced: 2,735.
