

**Michael Pozzan**  
**2008 Sonoma County Cabernet Sauvignon**

100% Sonoma County  
100% Cabernet Sauvignon  
Aged 14 months in French and American Oak

A classic Cabernet even in color, medium brick red/ruby color. This wine has concentrated aromas of black cherry and cassis and loaded with cherry vanilla throughout. The palate is ripe with black cherry and mocha flavors and finish with classic Cabernet spice that is presented with supple elegance. The tannins while firm have soft and approachable edges and will age very well for between 6-8 years. This wine pairs well with Eggplant lasagna with a hint of Cumin. Its flavors and structure lend itself to exotic dishes such as Indian Cuisine such as Lamb cooked in yogurt, Chicken Masala and Basmati rice and served with mint chutney. Enjoy now through 2016. 4,500 cases produced.
