

**Michael Pozzan**  
**2010 Knights Valley Cabernet Sauvignon**

100% Knights Valley  
100% Cabernet Sauvignon  
Aged in French Oak for 16 months.

This medium plum colored Cabernet is sourced from a vineyard North of upper Napa Valley, in the famed Knights Valley AVA in Sonoma County. This is a fine year for concentration for us in a year that was difficult for that. Aromatically, this is text book Cabernet Sauvignon with ripe plum and black cherry notes with a subtle back drop of herbaciousness. The core of the wine is very juicy and supple and has a nice medium bodied tannin profile, ideal for both current consumption with cellaring rewarding the caretaker with ultimate tannin resolution. The finish is balanced with cassis and some slightly astringent grapey tannins.

This wine will pair well with smoked meats such as carnitas or pork loin but it will also work well with aged rib eye steaks with a pepper corn glaze and truffle mashed potatoes.

This wine was aged exclusively in French oak for 22 months and will drink well through 2022.
