

Michael Pozzan
2012 Napa Valley Sauvignon Blanc

100% Napa Valley Sauvignon Blanc, Oakville AVA
Stainless steel fermented cold

This Sauvignon Blanc is a crystal clear, white stone colored wine possessing intense gooseberry, wintergreen notes and clove scents. The entry of this wine bursts with fresh pink grapefruit and again gooseberry with bone dry acidity but gobs of fruit notes which also include ripe melon and sweet lemon flavors. This wine is an excellent aperitif, but accompanies cheese plates with fresh figs, olives and guava paste. Try it for lunch with thinly sliced smoked turkey, Saint Andre double cream cheese and thin slices of Fuji apples; fantastic!

Some of the finest Sauvignon Blancs from California are from the Napa Valley. Its pure expression of fruit is a fine example of why.

Drink now through 2015.
