

2011 Michael Pozzan Sonoma County Cabernet Sauvignon

100% Sonoma County
85% Cabernet Sauvignon
10% Cabernet Franc
5% Petit Verdo

Aged 16 months in French and American Oak

This super ripe Cabernet Sauvignon is a classic Bordeaux style wine that has a dark plum color and very ripe black cherry and cassis aromas. Upon entry the wine is very concentrated and balanced in its acidity and tannin levels, the core is plush with Bing cherry, blueberry fruit and sappy French oak vanilla flavors. The finish is long with cassis, coffee, tobacco and coffee notes and back to a ripe blueberry envelope.

These fine Cabernet grapes come predominately from Alexander Valley (75%) in Sonoma County and was blended with other fine Cabernets from prestigious appellations within California. The tannins will allow this wine to age well for 8-10 years through 2023.

Try this wine with the American classic Beef Wellington or Pizzetta del Funghi with shaved asiago.
