

**Pozzan Gold Series 2011, Red Wine Blend
Oakville, Napa Valley**

A unique blend of syrah, petite sirah and zinfandel from the Napa Valley, Oakville AVA

Aged in new and seasoned French oak for 24 months.

The medium plum color of this impressive blend demonstrates the extraction established in this challenging vintage. The aromas are generous, with French and European oak lactones framing the spice from the Zinfandel. The palate is silky smooth with rich Tahitian vanilla and a sappy core of French oak that wraps around juicy syrah and petite sirah. The flavors balance between red and blue fruit—raspberry and bramble (from the syrah) and blueberry and boysenberry (from the petite sirah). The finish becomes more zinfandel, white and black pepper spicy with generous fruit that makes for a long finish.

This wine pairs well with roasted game such as venison, or any beef dish—however, if a decision must be made, go for the short ribs with garlic-mashed potatoes and sautéed green beans.
